Reports were handed down at the AGM on the 16th. Copies of these reports are available on request from Leanne.

We must not forget to issue a massive thank you to our out going patron Alan Duncan. Alan has passed the baton onto Alf, but he will not be forgotten as a valuable member to our club. Thank you Alan for your many years served as club patron.

Thanks also to Danny for his service as club president, presiding over a few difficult issues which have seen favourable results for the club.

Allan Woolley handed over to the club a detailed folder containing many letters and documents pertaining to the neighbouring development and its resolution. Without Allan's persistence on this matter it may still be going on. Thank you Allan.

John Wicks has run the ruler over the clubs books and will continue to do so. The club is currently in a positive financial position, due to many factors. One of which is the increase in social golfers and also competition play. The clubhouse has hosted many functions and has recently made available a booklet for patrons wishing to use the venue for their upcoming events.

On the clubhouse it has seen the start of a makeover, with the foyer repainted and the addition of photos of club champions. The interior of the club also with a feature wall and further repainting to give the clubhouse a fresher look.

Thank you to all of the members who attended the meeting.

**WELCOME FROM  
THE "MENS"  
CAPTAIN.**

Thank you firstly to all who have supported me on my decision to stand for captain this year. A few new things I would like to point out for you that I hope will benefit both you and the club. Firstly we have re-introduced timesheets for Saturday and Sundays which are in the pro shop. Secondly we have a new competition being played each Wednesday for members, details which are available from the pro shop. Finally thanks to all of the volunteers who assisted Dave in the greens renovations, we hope some rain will follow to get them back in shape quickly and for the ladies annual Jubilee Rosebowl event on the 13th.

Congratulations to the 2009 matchplay winners.

A grade : Mark Orr (winner 4 & 3 over Ian Stewart)

B grade : Grant Arnold (winner 3 up over Neil Hedge)

C grade : Pontus Bjorkman (winner 3 & 1 over Anthony Elsenberg)

After many years of trying the "retired" or "tired" glazier Ian Stewart finally collected the 36 hole Dalby Open recently. Well done, Butch. The open carnival day was one of the better attendances in recent years with over 100 players. Many thanks to all of the members who availed themselves to visit Cecil Plains, Chinchilla and Jandowae for their carnivals and Chesterfield Shield rounds.

I believe Cecil Plains once again took the title with Jandowae second, Dalby third and Chinchilla fourth.

Timesheets have been re-introduced in the pro shop. For both Saturday and Sunday's play, members are asked to put their names on the sheets to ensure a game. This will enable players without a four to pick up a game and also allow juniors and social players as well.

A time window of 8.45am-11.00am on Saturday is closed to allow juniors to play their competitions and on Sundays 9.00am-11.00am to allow social players access. Between these times, members are not able to tee off. All competition play is to tee off from the 1st tee.

If you are looking for a game and do not have a group, please call the pro shop and they will be able to slot you into a 4.

A burglar broke into a house one night

He shone his flashlight around, looking for valuables when a voice in the dark said, 'Jesus is watching you.'

He nearly jumped out of his skin, clicked his flashlight off, and froze.

When he heard nothing more, after a bit, he shook his head and continued.

Just as he pulled the stereo out so he could disconnect the wires, clear as a bell he heard

'Jesus is watching you.'

Freaked out, he shone his light around frantically, looking for the source of the voice. Finally, in the corner of the room, his flashlight beam came to rest on a parrot.

'Did you say that?' he hissed at the parrot.

'Yep', the parrot confessed, then squawked, 'I'm here to warn you: Jesus is watching you.'

The burglar relaxed. 'Warn me, huh? Who in the world are you?' .....

'Moses,' replied the bird.

'Moses?' the burglar laughed. 'What kind of people would name a bird Moses?'

'The kind of people that would name a Rottweiler Jesus', replied the bird.

## HOOKS AND SHANKS

- You will notice the internet address for the new website on the front page of this newsletter. Finally we have gone live with the site. We hope you will be able to take the time to have a browse over the site and give us some feedback. Thank you to the members who have commented on the site, we appreciate your feedback. Many hours have gone into the preparation of the site and we must thank Peter Waters of PJ Waters Web Design for his input. We hope to update monthly with the addition of the newsletters to the site and any further news that may arise.
- Great to see our senior golfers support the juniors by way of donating prizes won back to them for use in their fundraising efforts. The juniors program is really kicking some goals at present and with the seniors support it will continue to do so.
- The Camel Tanks day scheduled for the 18th October has been changed from a single stableford to a 3 person ambrose event, keep an eye out for flyers in the club to get more details.
- Another honour board qualifying event is coming up on the 11th. The 4BBB stroke event will see the top 8 teams qualify for the match play series. Grab a partner and come on out and play. This day is supported once again by Kevin Turner Financial Planning.
- Keep an eye out for more works around the course with the Sporters social club looking to add some

more concrete paths. Without the sporters a lot of little things would be overlooked. If you want to join the sporters club a small fee applies and you will be issued a "sporters" handicap. Get in contact with Scooter Hedge or Swervin Mervin Trenerry and they will see you get all the info you need.

Many thanks to our sponsors for the last month which include Bradwyn Golf Cart, Ray Foelz and Jade Court, Johnsons Hardware Mitre 10, O'Sheas Bi-Rite Electrical, Peter Hewson of Daly & Richards Garage and of course BMO Accountants. Our ladies were also supported by Thrifty Fabrics and Johnsons Hardware Mitre 10.
